RESPONSIBILITY

WE ARE COMMITTED TO OUR PLANET, OUR ENVIRONMENT, OUR COMMUNITY, AND OUR CUSTOMERS

Our mission is simple, "Do Better". We apply this to everything we do. We strive to lower our carbon footprint by constantly evaluating the way we do things from start to finish, from product, procedure and policy. We are steadfast in our efforts to foster environmental stewardship and have been doing so for the past 37 years. We love the outdoors and invest in sustainable development projects by being a part of international water programs and regenerative forestry. We also strive to inspire this love for future generations by sponsoring children's recreational programs. We can do all of this because we build thoughtfully designed and durable products that are made to last.

OUR MISSION

Making quality products that are ecologically sustainable is a puzzle of many interconnecting parts. GSI Outdoors is taking on this challenge through design, manufacturing and transportation.

We design our products to be durable and long lasting. We use recycled and recyclable materials where ever possible. We embrace the principles of Life Cycle Design to enable recycling whenever possible at the end of the product life. We are reducing our packaging, eliminating plastic shipping bags and using recycled paper fiber boxes, tags and cards printed with environmentally safe water-based inks.

We are working with our factories in value-added partnerships to implement sustainable ecological manufacturing practices. We are actively working with our factories to install solar panel arrays to reduce carbon and to assure best work practices.

We contract with shipping companies that use low sulfur bunker fuel. We pack our customer orders by hand in our warehouse where we hand cutdown our recycled boxes to the minimum size minimum size for maximum delivery efficiency.

Yet, we are not done. We know that we have a responsibility to design, manufacture and deliver the highest quality products with the least carbon footprint possible within our circular economy and make our world better for generations to come.

OUR IMPACT

We've worked with hundreds of organizations over the past 36 years in efforts to get kids in the outdoors

Supporting the planting of 6,000 mangrove trees in Watamu, Kenya

We are stewards of the outdoors and work with organizations to help preserve our lands

We work closely with different organizations to increase diversity in the outdoors

We've helped establish a sustainable drinking water source for multiple Zambian communities

1% of the Cathole Trowel sales benefits the Leave No Trace Center for Outdoor Ethics.

ECO SOLUTIONS BY DESIGN

DESIGN:

High quality products designed for durability and a long life. Life Cycle Design using recycled and recyclable materials, recyclable paper packaging.

TRANSPORTATION:

Customer orders packed by hand in our warehouse where we recycle boxes and use paper insulation to maximize delivery efficiency.

MANUFACTURING:

Value-added factory partnerships to implement sustainable ecological manufacturing practices.

Stoves

PROPANE STOVE TECHNOLOGY

Reliable performance, commonly available in disposable or refillable canisters: *the choice for base or car campers where performance and convenience are priorities.*

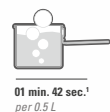

ISOBUTANE STOVE TECHNOLOGY

Dependable, efficient, high-performance 4-season mix in recyclable lightweight steel canisters: *the choice for backpackers who prioritize weight and compatibility.*

Stoves

STOVES

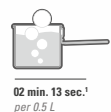

Pinnacle Canister Stove

01 min. 42 sec.¹
per 0.5 L

8.5 g (0.3 oz.)²
per 0.5 L

The Pinnacle Canister Stove is the ultimate, ultra-compact, ultralight, high-output backpacking stove. Designed for optimal efficiency, the clever folding pot supports pack small to nest within our nForm Ultralight cookware. The Pinnacle Canister Stove is the peak of our unique approach to going fast + light without making sacrifices; never has so much less meant so much more.

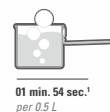

Pinnacle 4 Season Stove

02 min. 13 sec.¹
per 0.5 L

8.2 g (0.29 oz.)²
per 0.5 L

The Pinnacle 4 Season Stove's compact, high-output design with liquid feed capability is optimized for efficiency in all conditions. Thanks to clever stove legs and pot supports that fold to nest within our nForm Ultralight cookware, the Pinnacle 4 Season Stove is the peak of GSI Outdoors' unique approach to going fast + light without making sacrifices; winter, spring, summer and fall.

Glacier Camp Stove

01 min. 54 sec.¹
per 0.5 L

9 g (0.32 oz.)²
per 0.5 L

The high-output Glacier Camp Stove is the epitome of rugged power. Designed for fast, reliable cooking, the sturdy pot supports hold larger cookware while the large diameter burner head spreads heat evenly across the bases of pots and pans. The Glacier Camp Stove is the burner to carry when hunger calls and nature beckons, because time stands still for no one.

nform Crossover

What The perfect blend of size, weight and cooking performance

Who Backpackers / Car Campers / Kayakers / Canoeists

Why For far too long, "gourmet meals" and "camping" have seemed mutually-exclusive, leaving backcountry gourmets feeling overlooked, under-whelmed and terribly hungry. For these customers, the gear required to make that perfect recipe has always been riddled with frustrating trade-offs and compromises. The nFORM Crossover System represents a unique solution of ingenious tableware and cookware items designed to finally meet the needs of those demanding customers seeking to enjoy great outdoor meals without the heft of their home cookware. What's more, the system's modular design can be configured for backpacking, camping or anything in-between with the exact pieces required for 2-4 people to enjoy a gourmet meal on the go.

What The solution for high performance and space savings

Who Backpackers / Car Campers / Overlanders

Why These lightweight and compactable non-stick pots are combined with a hyper-efficient heat sink that offers 30% faster boiling times and 30% less fuel consumption. This cookpot series uses a fraction of the fuel for cooking and water for clean-up than conventional pots, leaving a smaller ecological footprint. The pots collapse to a fraction of their functional sizes for efficiency in packing yet are sturdy and durable when its time to cook. The series also comes with collapsible cups and bowls with solid bases and rims for ease of use and extended durability.

COMMUTER JAVAPRESS

DIM 3.8" x 3.8" x 7.8" **WGT** 9.6 oz. **SIZE** 15 fl. oz.
INC 97 x 97 x 198 mm **WGT** 272 g **SIZE** 444 ml

MAT Copolyester, EVA Foam, Ballistic Nylon, Silicone, Polypropylene, Stainless Steel

INC 15 fl. oz. Press Mug, Sealable Lid w/ Loop, Insulating Sleeve, Non-Slip Foot

FEAT Incredibly clever design removes the intrusive plunger rod from classic French Press designs and replaces it with an inner mug that creates a double wall of insulation to keep your coffee or tea hot while eliminating blow-by and grit.

Spill-resistant, flip top lid seals in heat and sloshing yet unscrews easily for unencumbered access to stir or add cream and sugar.

MICROLITE JAVAPRESS

DIM 4" x 3" x 8.6" **WGT** 13.2 oz. **SIZE** 14.3 fl. oz.

Terms + Conditions

PERIODIC UPDATES to products may not be depicted in this catalog. Contact GSI customer service if there are any concerns.

GSI does not ship to any sanctioned countries, nor does it allow any of its goods/products to be shipped/delivered/forwarded by their customers to a sanctioned country.

TERMS ARE NET 30 days upon receipt of a signed credit application and approval of your good credit.

Invoices not paid within 30 days of the due date are subject to a service charge of 1-1/2% interest per month. Credit Card or C.O.D. shipments on all accounts until credit is approved.

CUSTOMER TERMS- Any terms & conditions of customers including but not limited to EDI transactions may result in an extra charge per unit based on cost to comply with your requirements.

RETURN OF MERCHANDISE will be accepted ONLY with an RA. No shipping or delivery claims will be accepted unless made within 10 days after receipt of merchandise. RA# must appear on all boxes.

BROKEN CASE PACKS will be levied a 20% surcharge. SPECIAL LABELING CHARGES- 20 cents per unit with your stickers supplied.

All prices F.O.B. Spokane, WA unless otherwise noted. Prices are subject to change without notice. E & OE.

BACKORDERS are automatically shipped when they total over \$100, within 60 days of the original ship date. Unless you specify cancellation, you will be notified on backorders under \$100 to confirm shipment. If you have requested a specific cancel date, we will follow your instructions.
